TERMS OF SERVICE

- I have the right to refuse a commission when necessary. (that be if the topic makes me uncomfortable, etc.)

-There will be no use of the artwork for anything AI related. No AI references, prompting or generation of imagery will be created. Anything in relation to AI slop will have you blacklisted.

-Payment will be paid in full upfront before I start your commssion. If there is an issue with paying the full amount upfront, we can discuss a payment plan of sorts.

-The commission may take a few weeks to within months (due to my work schedule), unless provided with a specific deadline date.

-I have full rights to display my commissions on my social media, unless explicitly stated.

TERMS OF SERVICE

-Please provide a few references for me to work with, as well as a clear description of what you'd want! (It helps me gather a better understanding of your idea)

-Don't be afraid to check in on your commission! (I will find the time to get back to you with progress)

-I allow at least 3 major changes before it becomes an additional charge to the base price of your commission. (Amount charged depends on complexity.)
